

Questions for Returning Applicants

Dear Returning Staff Members,

Thank you so much for all the hard work you have put in to making Us in the Son so special! We are very excited that you have decided to re-apply to be a counselor for the 42nd summer of Us in the Son. We are hoping that we can make this summer just as successful as the preceding 41, and can continue to grow and improve! Along with submitting your resume, please answer the following questions in a numbered format (1, 2, 3, ...). Please be as honest as possible!

Please respond to the following questions. Answers **DO NOT** need to be long, but should be thoughtful:

1. How would you describe your performance on staff last year(s)? (Attitude, work ethic, working with others, etc.)
2. How do you plan on growing and improving in 2020?
3. What area(s) did you find yourself struggling in or having difficulty with last summer?
4. What areas did you feel you succeeded in last summer?
5. What kind of impact do you want to have on camp and/or the campers?
6. Color preference. Why?

With **Hope**,

Ben Jansen
The Us in the Son Director
