Questions for Director/Assistant Director Applicants

Dear UITS Applicant,

We are very excited that you have decided to apply to be a Director/Assistant Director for Us in the Son! We are hoping that we can make this summer just as successful as the preceding, and that we can continue to grow and improve! This job brings so much joy, but is also very demanding and requires quite a bit responsibility. Along with submitting your resume, please answer the following questions in number format (1, 2, 3…). Please be as honest as possible because that will help lead us to success. We look forward to speaking to you all soon!

Please respond to the following questions. Answers **DO NOT** need to be long, but should be thoughtful:

1. Why do you want to be an UITS DIrector/Assistant Director?

2. What experience do you have that would make you a great Director/Assistant Director?

3. How would you describe your leadership style?

4. When thinking about the Director/Assistant Director position, what do you believe are the most important/critical responsibilities?

5. Do you see yourself as taking on a more administrative role (handling registrations, looking over budgets, handling paperwork, etc.) or an “in front of camp” role (leading prayer, managing the transitions of the day camp day, working with volunteers, etc.)? Or both? Why?

6. If returning to UITS camp life, why have you decided to return?

7. Are there any dates on the summer calendar that you cannot make?

If there is anything you would like to add or explain, please include it.

With **Hope**,
The Us in the Son Hiring Team
